The office has no information as to how long Mr Ranga Rao's services will be needed in the Palace.

It is also not clear whether he should be treated as on Palace duty like the Palace officers who pay debited to the Palace or on foot duty like the Huzur Secy & Asst Private Secy who pay charged to Govt.

Orders on these points are solicited

period of deputation. It may be observed that in the first instance, his services were lent to the Palace in connection with the marriage of the Yuvaraja in June last year, and that his services will, in all probability, be made use of next in connection with the forthcoming visit to Delhi for the Coronation Durbar. In these circumstances, it would appear to be perfectly clear that the Sance would be the "State Revenues" and not the "Civil List". It is understood at the same time that the fact of his being on deputation will not come in the way of M.E.M. Ramakrishnayya promotion to the 1st class of Amildars, next in order.
